Arts and Crafts style studio condominium at The Arlington. This newly updated condo has charm and character with all the conveniences of modern amenities. Walk or bike to Kennebunkport's best and most popular attractions. Stroll down Ocean Ave to take in one of the most scenic coastlines in Maine or into Dock Square for shopping and restaurants! The kitchen in this 1st floor unit has new granite counters, newer appliances and plenty of storage. The murphy bed allows for ample space to entertain when put away or a cozy nighttime retreat. The doorways have been cleverly utilized into shelving units and the craftsmanship of the woodwork is phenomenal. With ample storage and clever design, this studio is not to be missed!
